Membership Benefits

PWTAG champions the cause of healthy, safe, effective and practical standards for swimming pool water on behalf of its members, the industry and the swimming public.

PWTAG provides updates to keep members informed about our work. There are specific benefits.

Successful candidates of the PWTAG SPTO who have achieved the SPTO are entitled to use the nominal letters (APWTAG) to show their attainment.

SPTO Associate members are registered by their PWTAG Approved training organisation and are listed on the publicly available Swimming Pool Technical Operator Listing in the PWTAG Directory.

Membership brings access to membership resources and reference documents.

PWTAG SPTO Associate members can take advantage of priority booking and a 15 per cent discount on PWTAG technical seminars and CPD events.

PWTAG SPTO Associate members get a 15 per cent discount on PWTAG publications, posters and digital promotional material.
